

## Makendi Coffee Beans (Arabica/Robusta)

**DESCRIPTION:** Coffee Beans are oval-shaped, medium-to-dark-brown beans derived from the flowering coffee plant. They provide high caffeine content and brown coloring, and are used primarily to make coffee, one of the most consumed beverages in the world. Arabica coffee beans are appreciated for their purity and freshness.

**PACKING:** 25kg/carton, 10kg/carton, 1 kg/800gr sachets. 20"GP=5MT(10kg); 8MT(25kg); 40"GP=14MT(25kg).

**SHELF LIFE:** 2 years stored in tightly sealed container.
